FOR IMMEDIATE RELEASE

Cove Generators Sales & Service named Generac Protector Plus Power Pro Premier Dealer and Connectivity Kings Award recipient in 2020.

MONTEREY, TN – July 1, 2021 – Cove Generators Sales and Services, one of the largest Generac generator dealers in Tennessee was recently recognized as a Protector Plus Power Pro Premier Dealer by Generac Power Systems. Generac is a leading designer and manufacturer of generators and engine-powered products. The Protector Plus Power Pro Premier distinction is the highest level available for a Generac residential/commercial dealer. It is only open to those dealers that meet the most rigorous set of sales and customer service criteria.

The Premier status recognizes dealers who have represented Generac in local markets with the highest standard of excellence in sales and customer service. These standards include:

- Having at least a 4-star customer service rating on Generac.com
- Providing customers with 24 /7 product support
- Employing a dedicated staff of power generation experts
- Obtaining and maintaining Generac factory training and certification for sales and service personnel
- Maintaining an adequate product and parts inventory
- Providing financing options to customers
- Successfully representing the Generac brand for at least three years

The Power Pro program rewards dealers like Cove Generators Sales & Service for living the Generac brand promise of giving customers peace of mind. Cove Generators Sales & Service consistently provides outstanding customer service. Maintains an inventory of product and parts. Provide 24/7 product support. Generac congratulates Cove Generators Sales & Service for their significant commitment to their customers and for being among the best of the best.

Connectivity Kings Award is awarded to the top 4 performing dealers in the United States and Canada who ensure their customers are connected to the Mobile Link system, a 24/7/365 technology that monitors the generator's performance. Having a Generac generator give piece of mind. In addition, being connected to Mobile Link gives additional piece of mind that Cove Generators Sales and Service is monitoring the generators and having the piece of mind that the Cove Generators' service team of highly qualified, trained, and certified technicians will proactively maintain their clients' generators.
